MEMBER DISCOUNT

Shire Tire brings professional tire service directly to your home or workplace, saving you the time and hassle of visiting a tire shop.

We offer new tires, mobile installation, seasonal changeovers, tire rotations, TPMS service and seasonal tire storage.

OpenCircle Contractors Association members receive:

- **\$75 off any set of four new tires**
 - **Combine this with eligible manufacturer rebates to save up to \$300**
- **10% off seasonal tire changeovers and tire rotations**
- **25% group discount on seasonal changeovers and tire rotations when three or more vehicles are booked for the same time and location**

To redeem your discount:

1. Shop online or request a service on **ShireTire.ca**.
2. Save a quote or submit a request and mention your OpenCircle membership in the notes.
3. We will adjust your quote to reflect the applicable discount before you approve it.

Proof of membership may be required. \$75 discount on a set of four new tires applies to regularly priced tires only. The 25% group discount replaces the standard 10% service discount and does not stack with it. Manufacturer rebates vary by tire brand, model and promotion period. Tire storage and TPMS service are available at our regular rate and are not included in the member discount.
